

REFERENCE ACCESS OFFER

Date: 1st June 2022

This Reference Access Offer (RAO) is made by:

Company Name: Bangkit Setia Sdn. Bhd. (BSSB)

Company Registration Number: 2000601016451 (736203K)

Business Address: B3-U3-13 Solaris Dutamas, No.1 Jalan Dutamas 1, 50480 KL

Issued pursuant to the Commission Determination on Access List, Determination No.2 of 2015 (Access List Determination) and Commission Determination on the Mandatory Standard on Access, Determination No.3 of 2016 (MSA Determination).

The MSA Determination deals with access to infrastructure sharing services included in the Access List Determination and sets out the obligation that apply to Access Seekers concerning various access issues which includes:

- i. Disclosure Obligations
- ii. Negotiation Obligations
- iii. Ordering and Provisioning Obligations
- iv. Decommissioning Obligations
- v. Billing and Settlement Obligations
- vi. Termination Obligations
- vii. Infrastructure Sharing
- viii. Dispute Resolution Procedures

SCOPE OF RAO

1. Pursuant to section 5.3.3 of the MSA Determination, BSSB is pleased to prepare and maintain a Reference Access Offer (RAO) for the Facilities and/or Services listed in the Access List Determination which BSSB provides to itself or third parties.
2. This RAO specifies the procedures and process to be follow by an Access Seeker who intends to acquire the Facilities or Services on the Access List Determination and which:
 - i. Contains terms and conditions which consistent with the rights and obligations set out in the MSA Determination; and
 - ii. Does not include terms and conditions which is inconsistent with the rights and obligations set out in the MSA Determination
3. BSSB's RAO are consistent with:

- i. The standard access obligations stipulated under Section 4.1.1 of the MSA Determination and Section 149 of the Act; and
- ii. The principles of non-discrimination stipulated under Section 4.1.5 and 4.1.6 of the MSA Determination.

PART 1 – PREVIEW OF BANGKIT SETIA SDN BHD REFERENCE ACCESS OFFER

1. INTRODUCTION

For the purposes of clarification, the terms and conditions of BSSB's RAO is applicable to the Facilities or Services on the Access List Determination and which is relevant to the provisioning of Facilities and Services within BSSB's license only. If the Access Seeker requests Facilities or Services outside BSSB's RAO, the terms and conditions for the provision of such Facilities or Services shall be negotiated and shall remain outside the scope of BSSB's RAO.

2. FACILITIES AND SERVICES PROVIDED UNDER BSSB'S RAO

This RAO contains the terms and conditions for the following Facilities and Services:

- i. Infrastructure Sharing.

3. AMENDMENTS TO BSSB'S RAO

BSSB shall within ten (10) Business Days of making any amendment to the BSSB's RAO, provided a copy of the amendments or an amended copy of BSSB's RAO to the Access Seeker who has requested BSSB RAO within the period of ninety (90) days prior to the making of such amendments, unless the Access Seeker has already indicated that it does not wish to proceed with an Access Request.

4. NOTICE OF WITHDRAWAL, REPLACEMENT AND VARIATION OF BSSB'S RAO

- A. If the Commission revokes, varies or replaces the Access List Determination relating to the Facilities or Services listed on the Access List Determination under Section 56 of the Act, BSSB may, by giving written notice to all Access Seeker to whom it is supplying Facilities or Services under BSSB's RAO, withdraw or replace BSSB's RAO with effect from a date no earlier than effective date of the Commission's revocation.
- B. BSSB shall comply with Section 7.4.2 and 7.4.3 of the MSA Determination where it withdraws or varies BSSB's RAO pursuant to the Section 1.4.A.
- C. In addition to Section 1.4.B above, BSSB may give the Access Seeker to whom it is supplying Facilities and Services under BSSB's RAO a notice of variation or replacement of BSSB's RAO to affect such variation that are necessary or appropriate in the event of:
 - i. The occurrence of a Legislative Event that materially affects the rights or obligations of BSSB under BSSB's RAO; or
 - ii. The occurrence of a Regulatory Event that relates to BSSB; or
 - iii. A review by the Commission of the MSA Determination pursuant to Section 7.5 of the MSA Determination.

D. Notwithstanding Section 1.5.1, 1.5.2 and 1.5.3 above, BSSB may subject to Section 1.4 above replace BSSB's RAO at any time.

5. AVAILABILITY

- A. BSSB'S RAO shall be made available to an Access Seeker:
- i. On written request, at BSSB's principle place of business; and
 - ii. On a publicly accessible website at www.danwanoutdoor.com/bangkitsetia.rao
- B. Prior to the provision of BSSB's RAO to the Access Seeker, the Access Seeker shall be required to enter into a Confidentiality Agreement which shall be made separately.
- C. Any communication in respect of BSSB's RAO should be made in writing to:

Attn: Director of Bangkit Setia Sdn. Bhd.

B3-U3-13 Solaris Dutamas,

No.1 Jalan Dutamas 1,

50480 Kuala Lumpur.

PART 4 – PRINCIPLE OF ACCESS

A. Access Services

This RAO applies only to the Access Service(s) listed and described in Section 1.2.

B. Eligibility for Access of Services

1. BSSB shall at its discretion and in a manner consistent with the License granted (and the license rights accorded therein) by the Minister to the Access Seeker, provide to the Access Seeker with access to Access Service on reasonable terms and conditions as set out in this BSSB's RAO.
2. For the purposes of clarification, consistent with Government policy and Determinations by the Commission (and its predecessor), an Access Seeker may only request for access to any or all of the Facilities or Services listed in the Access List as contained in BSSB's RAO where the Access Seeker has been granted:
 - a. An individual network facilities provider license and/or;
 - b. An individual network services provider license and/or;
 - c. A content network facilities provider license and/or;Provided that such request is made in writing by the Access Seeker to BSSB.
3. An Access Seeker may not request for the Access Service(s) where the Access Service(s) are to be used in connection with an activity or activities in which the Access Seeker is not licensed to provide.

C. Standard Access Obligations

1. Access Terms and Conditions

BSSB shall subject to Section 3.2 of the MSA Determination, supply the Access Service(s) to the Access Seeker on reasonable terms and conditions.

2. Principles of Non-Discrimination

BSSB shall treat an Access Seeker on a non-discriminatory basis as required by the Standard Access Obligations in relation to the supply of Access Service(s). The access provided by BSSB to the Access Seeker shall be consistent with:

- a. The principles set out in Section 4.1.5 and 4.1.6 of the MSA Determination; and
- b. Section 149(2) of the Act.

3. Customer Principles

Where applicable BSSB observe and comply with the customer relationship principles set out in Section 4.3 of the MSA Determination.

D. Negotiation Principles

1. Intellectual Property

An Operator shall only use such Intellectual Property and information provided by another Operator for the purposes of providing access to the Access Service(s). An operator must not use such Services or equipment by the Operator, its affiliates or third parties.

2. Good Faith and Dispute Resolution

Each party shall cooperate, in good faith and commercially reasonable manner, in negotiating and implementing the terms of the Access Agreement. This includes:

- a. Acting promptly, honestly and not perversely, capriciously or irrationally;
- b. Avoiding unnecessary dispute and use all reasonable endeavors to resolve any disputes promptly and fairly which is arising from or in connection with BSSB's RAO. If any dispute or difference of any kind shall arise between the parties in connection with or arising out of BSSB's RAO the Dispute Resolution Procedure in Annexure A of MSA Determination shall be adhered to.

An operator must protect from disclose any confidentiality information provided by another Operator given in the course of negotiating an Access Agreement or during the term of BSSB's RAO in accordance with the Confidentiality Agreement signed between the parties.

3. Necessary Third-Party Involvement Causing or Contributing to Non-compliance in Timeframe

In the event of, if:

- a. BSSB fails to comply with a timeframe under this RAO; and
- b. BSSB considers such failure was caused by contributed to by necessary third-party involvement or other matters reasonably outside BSSB's control (for example, where approval from local or other authority is required).

BSSB must notify the Commission of such non-compliance and such third-party involvement, and provide contact details of such third party, to permit the Commission to investigate the non-compliance.

PART 5 – ACCESS REQUEST PROCEDURES

A. Application for Access to Services

1. An Access Seeker shall request BSSB to supply Infrastructure Sharing listed in the Access List Determination to it by serving and Access Request to BSSB.
2. The purpose of such Access Request is to provide BSSB with sufficient information to assess the Access Seeker's request for the supply of Infrastructure Sharing listed in the Access List Determination under BSSB's RAO.
3. The Access Request must:
 - a. Contain the name and contact details of the Access Seeker;
 - b. Specify the Infrastructure Sharing listed in the Access List Determination in respect of which access is sought;
 - c. Indicate whether the Access Seeker wishes to accept BSSB's RAO or negotiate and Access Agreement;
 - d. Contain the information (if any) as set out in Section 5.3.6 of MSA Determination that the Access Seeker reasonably requires BSSB to provide for the purposes of the access negotiations;
 - e. Provide the relevant information relating to the Access Seeker's Network and the functionality of its services, to the extent that the Access Seeker is aware that such information may affect BSSB's network;
 - f. Contain confirmation that the Access Seeker is not currently being supplied with the requested Facility listed in the Access List Determination or if so, the reasons for the additional request for the said Facility;
 - g. Specify the type of communications licenses held by the Access Seeker and a copy of the license where a copy had not been previously provided;
 - h. Contain Creditworthiness Information as set out in Section 5.B;
 - i. Be accompanied by a Security Sum as set out in Section 5.C;
 - j. Contain Insurance Information as set out in Section 5.D;
 - k. Contain relevant technical information relating to the interface standard of the Access Seeker; and
 - l. Contain such other information that BSSB may reasonable request.

B. Creditworthiness Information

The Creditworthiness Information that is required to accompany an Access Request includes but shall not be limited to:

- a. A letter, signed by the Executive Director of the Access Seeker, stating the Access Seeker is not insolvent and is not under any external administration or under similar form of administration under any law applicable to it in any jurisdiction;
- b. A copy of the Access Seeker's most recently published Audited Balance Sheet and Audited Profit and Loss Statement; and
- c. Such other information as may be reasonably requested by BSSB provided that such information is publicly available.

The Creditworthiness Information shall commensurate with as estimate of the value of the access to the Infrastructure Sharing to be provided by BSSB to the Access Seeker over a ninety (90) day period.

C. Security Sum

An Access Request shall be accompanied by a Security Sum. The Security that may be given by the Access Seeker may be in term of either:

- a. Bank Guarantee
- b. Cash Sum

BSSB is not obliged to consider entering into an Access Agreement with the Access Seeker pursuant to BSSB's RAO until the Access Seeker has amongst other things, provided (at the Access Seeker's costs) to BSSB such Security Sum on term and conditions reasonably acceptable to BSSB.

D. Insurance Information

1. Subject to Section D.2, and Access Request shall be accompanied by the following insurances:
 - a. Worker's Compensation and/or Social Security Insurance and/or Employer's Liability Insurance and/or other insurance with statutory limits as required by the laws of Malaysia to provide for payment to its employees employed or in connection with the work covered by the Access Agreement that may be entered into and/or their dependents; and
 - b. Comprehensive General Liability Insurance of an amount which is not in excess of Ringgit Malaysia Five Million (RM 5,000,000.00) for any one claim or series of claims arising out of an accident or occurrence in connection with the Access Agreement that may be entered into resulting in bodily injury and/or personal including death and property damage of an Access Seeker which may arise out of or in consequence of any acts or omissions of the Other Access Seeker. Such policy includes contractual liability.
2. For the purpose of clarification, the insurance provided by the Access Seeker pursuant shall commensurate with the reasonable sum which is to be agreed by BSSB.

E. Processing of Access Request

1. Acknowledgement of Receipt of Access Request

BSSB shall, within ten (10) Business Days of receipt of the Access Request, inform the Access Seeker in writing that it has received the Access Request and:

- a. Subject to Section 5.E.3, request additional information from the Access Seeker where there is a need for further information, prior to considering the Access Request; or
- b. Indicate whether it is willing to provide access to Infrastructure Sharing listed in the Access List Determination in accordance with BSSB's RAO. Subject to the additional information being received by BSSB within twenty (20) Business Days from the date of request, BSSB shall reconsider the Access Request in accordance with this Section 5.E.1

2. Non-Refundable Processing Fee

- a. Subject to Section 5.E.2.b, BSSB may charge an Access Seeker a non-refundable processing fee for undertaking the necessary administrative work to process the Access Request.
- b. The non-refundable processing fee is only applicable to requested Infrastructure Sharing listed in the Access List Determination that can be offered and made available by BSSB.
- c. In the event that additional and non-routine work is required in order to process the Access Request, BSSB may charge a separate fee for undertaking such additional work. If the Access Seeker does not proceed with the Access Request accepted by BSSB, the processing fee will not be refunded to the Access Seeker.

3. Resources Charge

In accordance with Section 5.7.28 of the MSA Determination BSSB may charge an Access Seeker a resource charge to be determined by reference to the costs incurred by BSSB for the allocation of manpower and other resources to enable the Access Seeker to test and provide new Infrastructure Sharing for the purpose of interconnection.

4. Request for Information

BSSB shall comply with Section 5.4.16 of the MSA Determination where it requests additional information from the Access Seeker pursuant to Section 4.5.1(a).

F. Assessment of Access Request

1. Reason of Refusal

Without limiting any other grounds that may be relied upon under the Act, BSSB may refuse to accept an Access Request for the supply of a Facility listed on the Access List Determination and accordingly may refuse to supply that Facility to the Access Seeker for any of the following reasons:

- a. In BSSB's reasonable opinion, the Access Seeker's Access Request was not made in good faith;
- b. In BSSB's reasonable opinion, the Access Request does not contain the information reasonably required by BSSB's RAO provided that BSSB has sought the information from the Access Seeker under Section E.1 of BSSB's RAO and has not received that information within twenty (20) Business Days of making such request;
- c. BSSB does not currently supply or provide access to the requested Infrastructure Sharing listed in the Access List Determination to itself or to any third parties, except where the Access Seeker compensates BSSB for the supply of access to such Infrastructure Sharing;
- d. It is not technically feasible to provide access to the requested Infrastructure Sharing listed in the Access List Determination;
- e. BSSB has insufficient capacity to provide the requested Infrastructure Sharing listed in the Access List Determination;
- f. There are reasonable grounds in BSSB's opinion to believe that the Access Seeker would fail, to a material extent, to comply with the terms and conditions applicable to the supply of the Infrastructure Sharing listed in the Access List Determination; or
- g. There are reasonable grounds for BSSB to refuse access in the national interest.

2. Determination of Technical Infeasibility

For the purpose of determining technical infeasibility in Section 5.F.1.d, the Access Seeker shall comply with Section 5.4.17 of the MSA Determination.

3. Determination of Capacity Constraints

For the purpose of determining capacity constraints in Section 5.F.1, the Access Seekers shall comply with Section 5.4.17 of the MSA Determination.

4. Assessment of Access Seeker Ability

- a. To pay for supply of relevant Infrastructure Sharing listed in the Access List Determination. Examples of reasonable grounds for BSSB's belief as mentioned in Section 5.F.1.f mentioned above include evidence that the Access Seeker is not in the reasonable opinion of BSSB creditworthy.
- b. To comply with terms and conditions applicable to the supply of relevant Infrastructure Sharing listed in the Access List Determination. Example of reasonable grounds for BSSB's belief as mentioned in Section 5.F.1.g include repeated failure by the Access Seeker to

comply with the terms and conditions on which the same or similar access to Infrastructure Sharing have been provided (whether or not by BSSB).

5. Assessment of Creditworthiness

- a. In determining the creditworthiness of the Access Seeker, BSSB may have regard to, but is not limited to the matters referred to in Section 5.F.4.b.
- b. In determining the creditworthiness of the Access Seeker, BSSB shall not take into account amounts outstanding for Infrastructure Sharing previously provided by BSSB to the Access Seeker where, in accordance with the terms and conditions governing the provision of such Facility or Service, the Access Seeker is not required to pay such amount to BSSB to the extent that there is a bona fide dispute in relation to the amounts outstanding by the Access Seeker to BSSB and the Access Seeker is relying on such terms and conditions as basis for its non-payment.

G. Notification of Rejection to Access Seeker

1. Where BSSB rejects the Access Request, BSSB shall:

- a. Notify the Access Seeker in writing within ten (10) Business Days from receipt of the Access Request or additional information requested pursuant to Section 5.A, as the case may be;
- b. Provide reason for rejection under Section 5.F to the Access Seeker;
- c. Provide the basis of BSSB's rejection of the Access Request; and
- d. Indicate a date and time, not later seven (7) Business Days from the date of the notice of rejection, at which representative of BSSB will be available to meet with representatives of the Access Seeker to discuss the rejection of the Access Request. At this meeting, the Access Seeker may request BSSB to substantiate its reasons for refusal, and if access has been refused on the basis of the grounds in Section 5.F.1, BSSB must identify when additional capacity is likely to be available.

2. Where the Access Seeker are unable to resolve their differences following the meeting held pursuant to Section 5.G.1.d, either Access Seeker may request resolution of the dispute in accordance with Annexure A of the MSA Determination.

H. Acceptance of Access Request

1. Where BSSB agrees to provide access to Infrastructure Sharing listed in the Access List Determination to the Access Seeker in accordance with BSSB's RAO, BSSB shall within ten (10) Business Days of such respond under Section 5.E.1.b, provide the Access Seeker with two copies of the executed Model Access Agreement, for execution by the Access Seeker.

2. Where the Access Seeker wish to negotiate an Access Agreement, the Access Seeker shall comply with the requirements in Section 5.4.2, 5.4.4, 5.4.9, 5.4.9 of the MSA Determination in negotiating and concluding and Access Agreement.

3. BSSB will not be taken to have agreed to acquire the requested Facility listed in the Access List Determination until:

- a. A Security Sum has been provided in accordance with Section 5.A and 5.C; and
- b. An Access Agreement has been executed between the Access Seeker and the Access Agreement is registered with the Commission in accordance with Section 150 of the Act.

PART 6 – PROVISION OF INFORMATION

1. The obligations of each Operator to provide information to the Other Operator are subject to the MSA Determination and the requirements of confidentiality in the Confidentiality Agreement signed by the Operators.
2. An Operator must provide the Other Operator on a timely basis with all agreed information reasonably required to determine rates and charges to be billed by each Operator to the Other Operator or by each Operator to its Customers.
3. To the extent permitted by Malaysian law and any relevant guidelines or customer service standard in force pursuant to the Operator's respective License conditions, the Operators will exchange information and otherwise cooperate in relation to the prevention and investigation of fraudulent use or misuse of the Operator's respective Communications Services and the theft of the Operator's provided terminal equipment.
4. Information provided under BSSB's Rao may only be used for the purpose for which it was given, Personal information about a Customer creditworthiness, credit standing, credit history or credit capacity may only be used for the purposes permitted by, and in compliance with, Malaysian law.
5. Information required to be provided under BSSB's RAO need not be provided if the recipient Operator has bit established security measures that are adequate to protect the confidentiality of the information. If the recipient Operator does not observe such security measures or any of the information is used by it for any purpose other than the purpose for which it was given, the providing Operator may deny the recipient Operator further access to the information for the period during which the non-observance or non-conforming use continues on notice specifying the non-observance or non-conforming use. The Operators will cooperate to resolve the providing Operator's reasonable concerns so that information exchange can be resumed as soon as possible.
6. Subject to the Act and any subordinate legislation, nothing in the Access Agreement may be construed as requiring an Operator at any time to disclose to the Other Operator information which is at the date when the Access Agreement comes into force, the subject of a confidentiality obligation owned to a third person is required, the Operator holding the information must use its reasonable endeavors to obtain the consent of the third person.
7. After the Access Agreement comes into force an Operator must use its best endeavors not to enter into any contract which would prevent it from making relevant information available to the Other Operator unless the contract include a term which permits the contracting Operator to make the information available if directed to do so by the Commission.

PART 7 – BILLING AND SETTLEMENT OBLIGATIONS

A. Billing and Payment

1. This Section describes the billing and settlement procedures for all Facilities or Services.
2. A Service Schedule may contain billing and settlement arrangement that add to or amend this Section in respect of the relevant Service.

B. Billing

1. Unless agreed otherwise between the Parties, the Access Provider shall Bill Charges in accordance with the billing cycle. Each Bill be:
 - a. State Charges in Ringgit Malaysia;
 - b. Show Charges payable for the Service provided in the last preceding calendar month (the "Billing Period"); unless otherwise agreed with the Access Seeker in the Access Agreement;
 - c. Be accompanied by information as may be reasonably necessary for the Access Seeker to verify rates and charges contained in the Bill; and
 - d. Be issued within 30 days following the Billing Period.
2. The Bill shall be sent to the Access Seeker at the Access Seeker's specified address. The Access Seeker may change the address by giving the Access Provider at least twenty (20) Business Days' notice.
 - a. If the Access Seeker requests, the Access Provider will provide, in monthly trenches, an aggregated summary of billings for Services provided to the Access Seekers. However, the Access Provider is not obliged to meet the request retrospectively.
3. If the Access Provider is unable to obtain information required to determine the Charges that apply during a Billing Period, the Access Provider may determine the Charges on a provisional basis ("Provisional Charges") and issue the bill based on the Provisional Charges. The Provisional Charges must be clearly identified in the bill.
4. The amount of Provisional Charges must not exceed:
 - a. The average amount of the Charges that were billed in respect of the relevant Service in the recent three Bills; or
 - b. If there have not been three (3) bills in respect of those Charges, the amount of the Charges that were billed in the most recent bill in respect of the relevant Service.
5. An adjustment to reflect the actual Charges incurred must be made in a subsequent Bill, as soon as practicable but no later than 3 months after the calendar month in which the Services were provided.
 - a. If an adjustment is not made within 3 months after the calendar month in which the services were provided, the Access Seeker may treat the Provisional Charges as the Actual Charges.
 - b. No interest is payable in respect if an adjustment, whether:
 - i. By the Access Seeker (even if the Actual Charges incurred are higher than the Provisional Charges); or
 - ii. By the Access Provider (even if the Actual Charges incurred are lower than the Provisional Charges).

6. The Access Provider must not determine Charges on a provisional basis for more than three (3) successive billing periods without the consent of the Access Seeker.
7. The Access Provider must bill all Charges within three (3) months from the calendar month in which the Services were provided. The Access Seeker is not obliged to pay Charges that are billed after this timeframe except otherwise agreed.
8. The Access Provider may include omitted miscalculated Charges from a bill in a later bill, provided that:
 - a. The Access Provider is able to substantiate the Charges to the Access Seeker; and
 - b. The inclusion is made:
 - i. Within two (2) months of the issuing of the original bill being issued in which the omitted Charges should have been included or the miscalculated Charges were included; or
 - ii. If not, original bill was issued, within three (3) months from the calendar month in which the Services were provided.

C. Payment

1. The Access Seeker must pay the amount due and owing by the Due Date.
2. Bills must be paid by the Access Seeker in Ringgit Malaysia by one of the following methods:
 - a. Electronic Funds Transfer to the Bank Account designated by the Access Provider which shall be specified by the Access Provider in writing; or
 - b. By Bank Cheque to the Bank Account designated by the Access Provider which shall be specified by the Access Provider in writing, for the purpose of this sub-clause, the Access Provider shall have the sole discretion to determine the primary method of Bill payment to be complied with by the Access Seeker and the Access Provider shall notify the Access Seeker of the same. The primary method of bill payment shall be complied with the Access Seeker at all times unless it is not possible to do so in which case, the Access Seeker must notify the Access Provider within one (1) day after the bill payment is made using the secondary method.
3. Payment of an amount is received:
 - a. If payment is by Electronic Funds Transfer – when the amount is shown as having been deposited in the Bank Account; and
 - b. If payment is by Bank Cheque – when the cheque is received by the Access Provider, and the Bank Cheque is cleared and funds are deposited in the Bank Account.
4. On the day a payment is made, the Access Seeker must send the Access Provider a statement specifying the details of the Bill in respect of which payment is made (“Remittance Advice”).
5. If the Remittance Advice is not provided, the Access Provider may allocate the payment to any amount payable to the Access Provider by the Access Seeker which is not the subject of Billing Dispute. The Access Provider must notify the Access Seeker of any such allocation.
6. The Access Provider may charge the Access Seeker interest calculated in the manner specified in the MSA on any overdue amount as follow:
 - a. The entire bill amount, if the bill is not in dispute; or

- b. The entire bill amount, if the bill is in dispute but the Billing Dispute Notice was not submitted to the Access Provider within the time period specified and does not meet the requirements of Section 7.C.7 of this Section.
7. If the bill is in dispute and upon resolution of the dispute, the disputed amount determined to be valid (“Overbilled Amount”):
 - a. Is more than the amount previously withheld by the Access Seeker, the Access Provider shall refund the Access Seeker the difference (“Refundable Difference”) calculated by deducting the amount withheld by the Access Seeker from the Overbilled Amount. The Access Provider shall pay interest on the Refundable Difference.
 - i. Interest on the Refundable Difference payable by the Access Provider shall be calculated:
 1. From (and including) the day the Access Seeker had paid the Refundable Difference was refunded to the Access Seeker; and
 2. At the interest rate specified in the MSA Determination is less than the amount previously withheld by the Access Seeker, the Access Seeker shall pay the Access provider the difference (“Payable Difference”) calculated by deducting the Overbilled Amount from the amount withheld by the Access Seeker. The Access Seeker shall pay interest on the Payable Difference.
 - ii. Interest on Payable Difference payable by the Access Seeker shall be calculated:
 1. From (and including) the original due date of the bill to (but excluding) the day the Access Seeker pays the Payable Difference; and
 2. At the interest rate specified in the MSA Determination.
 - iii. Where the Access Seeker has paid the bill but subsequently notified the Access Seeker of a Billing Dispute in relation to that bill within the Billing Dispute Notification Period, the Access Provider is not obliged to refund the sum paid or part there of until the Billing Dispute is resolved.
8. Unless otherwise agreed, bill must be paid in full without any set-off, counterclaim or deduction.
9. The Access Seeker may withhold payment of any amount dispute in good faith by the Access Seeker (which shall be confirmed by the Access Provider) if:
 - a. The Access Seeker notified the Access Provider’s Billing Representative within twenty-one (21) days from the day the Bill is received; and
 - b. The notification is accompanied by a complete Billing Dispute Notice which shall contain complete and accurate information.
10. If a complete and accurate Billing Dispute Notice is not lodged within the Access Provider’s Billing Representative within twenty-one (21) days from the day the bill is received, the Access Seeker must pay the bill in full before lodging a Billing Dispute Notice (which must in any event be lodged within the Billing Dispute Notification Period specified in Section 7.D.3). If not, the Access Provider may:
 - a. Treat any amount withheld as amounts that are not in dispute; and
 - b. Reject any Billing Dispute Notice lodged twenty-one (21) days after the day the bill is received unless the amount is dispute are paid in full.
11. On resolution on a Billing Dispute, any sum to be paid or refunded must be paid or refunded (with interest) within 14 days of the resolution of the Billing Dispute and in the manner as provided in Section 7.D.

D. Billing Dispute Resolution

1. The Access Seeker may direct enquiries relating to billing, collecting and settlement arrangements to the Access Provider's Billing Representative.
2. The Access Seeker may submit a Billing Dispute Notice where it has reasonable grounds to believe that an error has arisen because;
 - a. There is, or has been, a discrepancy between the bills in dispute and the records generated by the Access Seeker's billing system;
 - b. There is, or has been, fraud perpetrated by the Access Provider; or
 - c. The Access Provider has made some other error in calculating Charges which are the subject of the Billing Dispute.
3. The Access Seeker must submit a Billing Dispute Notice within the following periods ("Billing Dispute Notification Period")
 - a. If the Billing Dispute relates to Charges – within 30 days of the Bill Date;
 - b. The Access Provider is not obliged to accept a Billing Dispute Notice that is submitted outside the Billing Dispute Notification Period specified in this Section 7. C.10.
4. The billing Dispute Notice must specify:
 - a. The reason for the Billing Dispute;
 - b. The amount in dispute; and
 - c. Details required to identify the relevant Bill and Charges in dispute including:
 - i. The Access Seeker's account number;
 - ii. The Bill reference number;
 - iii. The Bill date;
 - iv. The Bill amount; and
 - v. The billing verification information.
 - d. Evidence to substantiate the Billing Dispute, including (where applicable) the Access Seeker's outgoing traffic report, indicating the relevant traffic data that is in dispute.
5. The Access Provider must use reasonable endeavors to resolve any Billing Dispute promptly and in an event within:
 - a. Thirty (30) days from the date on which the Billing Dispute Notice is received; or
 - b. Such longer period as requested by one (1) party (giving reason for that request) and agreed to by the other party, ("Negotiation Period"). For clarification between the Access Provider and Access Seeker, the Access Provider is not obliged to refund any of the disputed amounts until the Billing Dispute is resolved in accordance with Section 7.C.3 of this Section. In the event the Billing Dispute is resolved under the Billing Dispute Resolution, any amount to be paid or refunded by the relevant Party shall follow the procedures set by 7.C.3 and 7.C.4 of this Section.
6. At the end of the Negotiation Period,
 - a. Either party may notify the other party:
 - i. Stating why it is not satisfied with the progress of the Billing Dispute; and
 - ii. Seeking escalation of the Billing Dispute.
 - b. Each party must appoint a representative who has authority to settle the Billing Dispute. The representative must:
 - i. Meet as often as they reasonably deem necessary to discuss Billing Dispute;
 - ii. Negotiate in good faith to resolve the Billing Dispute; and

- iii. Mett all reasonable request for relevant information made by either party to the other.
 - c. If the Operator are unable to resolve any Billing Dispute within thirty (30) days from any date as might be agreed under Section 7.D.3, either Operators may refer the Billing Dispute to the Commission for resolution under the Act and the decision of the Commission or in the event of an appeal from the decision of the Commission, the decision of the Appeal Tribunal, shall be final and binding on the Operators.
- 7. Either Operator is free to pursue any other remedy in law or equity that may be available to that Operator at any time during the progress of negotiations over the Billing Period.

PART 8 – TERMINATION, SUSPENSION AND OTHER PROVISION

A. Term

The Operators shall enter into an Access Agreement for a term of no less than three (3) years from the execution date of the said Access Agreement.

B. Termination

Subject to Section 8.E, BSSB may terminate an Access Agreement or part thereof if any of the circumstances referred to in Section 8.B below apply and BSSB has notified the Access Seeker of its intention to terminate the Access Agreement:

- a. The Access Seeker has materially breached the Access Agreement and BSSB has notified the Access Seeker that it will terminate the said Agreement in no less than one (1) month if the Access Seeker does not remedy its breach by the end of that period; or
- b. The Access Seeker is subject to a winding up order (whether compulsorily or voluntarily) or cease to trade in normal course of business or become insolvent or a receiving order has made against it or has entered into any agreement or composition with or assignment for the benefit of its creditors or the Access Seeker's assets are subject of any form distress or execution or any analogous insolvency event related to the Access Seeker has occurred in any jurisdiction; or
- c. A Force Majeure has continued for a period of more than three (3) months.

BSSB shall forward to the Commission a copy of the notice of termination at the same time as providing the notice of termination to the Access Seeker. For clarification, a notice to be given under this Section 8.B is in addition to the notice required under Section 8.E of this RAO.

C. Change of Law

Where the continues operation of the Access Agreement or access to any Access Service provided by BSSB is or will be unlawful (as a result of a legislative change), the Access Seeker and BSSB shall meet within five (5) Business Days of becoming aware of the relevant change in law to review whether access to the relevant Access Service may be provided by BSSB on different terms and conditions (which are acceptable to the Access Seeker). If the Operators cannot agree to the provision of access on different terms and conditions, BSSB may terminate the provision of access to the relevant Access Service.

D. Suspension

Subject to Section 8.E, BSSB may only suspend access to any Access Service in the following circumstances:

- a. The Access Seeker is in breach of a material obligation and fails to remedy such breach within thirty (30) days of receiving written notice from BSSB to remedy such breach;
- b. The Access Seeker's Facilities materially adversely affect the normal operation of BSSB's Facilities or are a material threat to ant person's safety;
- c. The Access Seeker's Facilities or the supply of Access Service pose an imminent threat to life or property of BSSB. Its employees or contractors;
- d. The Access Seeker's Facilities cause material physical or technical harm to any Facilities of BSSB or any other person;

- e. Where the Access Seeker has failed to pay Invoices in accordance with Section 6 of this RAO (and subject to any right that the Access Seeker has under Section 6 of this RAO to dispute any amount in an Invoice);
- f. Where the Access Seeker has failed to provide the new Security amount under Section 8.K, 8.L and Section 4.C of this RAO;
- g. Where Force Majeure applies; or
- h. In the Access Seeker breaches any laws, regulations, rules or standards which has a material adverse effect in BSSB or the provision by BSSB of Access Service under the Access Agreement.

For the purpose of this Section 8.D, BSSB must provide the Access Seeker five (5) Business Days' notice in writing, including written reasons, prior to suspending access to any Access Service. BSSB shall forward to the Commission a copy of the notice of suspension at the same time as providing the notice of suspension to the Access Seeker. For clarification, a notice to be given under this Section 8.D is an addition to the notice required under Section 8.E.

E. Notice

Prior to terminating or suspending or seeking to materially vary an Access Agreement or access to any Access Service provided under it. BSSB must notify the Commission in writing of the action it proposes to take and the reason why such action is appropriate. BSSB shall not terminate, suspend or seek to materially vary the Access Agreement or access to any Access Service until such time and on such conditions, as the Commission may specify. BSSB:

- a. Shall give effect to the proposed termination, suspension or material variation with Commission's written consent and subject to any time delay or any conditions which the Commission may specify (if any);
- b. Must not give effect to the termination, suspension or material variation unless BSSB has received written consent from Commission to such termination, suspension or material variation; and
- c. Shall take all steps practicable to minimize disruption, inconvenience to the Customer to the Access Seeker, including providing the Access Seeker with a reasonable period to make alternative arrangements prior to the termination or suspension of the Access Agreement or access to the Access Service provided under it.

F. Undertakings

If the parties to an Access Agreement adopt the terms and conditions specified in an undertaking that has been registered with the Commission in accordance with the Act, the parties must notify the Commission within five (5) Business Days of such adoption. In such circumstances, the terms and conditions of the Access Agreement will continue to be in force for the remainder of the term of that Access Agreement, even if the Access undertaking is withdrawn or expired prior to the expiry of that term.

G. Post Termination Fees

BSSB shall not recover any additional Charges, costs or expenses on termination or suspension of an Access Agreement or access to any Access Service provided under it, except:

- a. Charges invoiced in arrears and not yet paid; or
- b. Subject to Section 8.K, Charges arising during an applicable minimum contractual period (as described in Section 8.A above), provided that:

- i. Such charges must reduce to reflect any cost savings from BSSB not having to supply the Access Service to the extent that they have been terminated or suspended; and
- ii. BSSB must use reasonable endeavor to mitigate its cost of termination or suspension and minimize cost saving under Section 8.G.b.i above.

H. Upfront Charges Refund

On termination of an Access Agreement or access to any Access Service provided under it, BSSB shall refund to the Access Seeker all amounts paid in advance to the extent that the amount (or part of the amount calculated on a pro-rata basis) relate to the period after the date of effect of such termination,

I. Deposits and Guarantees

Notwithstanding the obligation in Section 8.H, BSSB shall:

- a. Within two (2) months if termination if the Access Agreement refund to the Access Seeker any deposit paid (without interest) provided all other amounts payable by the Access Seeker to BSSB have been paid; and
- b. Immediately upon termination of the Access Agreement unconditionally waive any rights under any guarantees provided by the Access Seeker except in respect of amount payable by the Access Seeker to BSSB as at the date of termination.

J. Intellectual Property Rights

The Operators agree not to use any patent, trade mark, trade name, house mark, service mark, designs, copyright, database rights, know-how and any other type of intellectual property rights belonging to the Other Operator or any of its affiliates without the prior written consent of the Other Operator for purposes including but not limited to any advertising, publicity release or sales presentations.

K. Security Review

An Operators shall only vary the amount and type of any security requirement imposed another Operator:

- a. A maximum of once in any twelve (12) months period; and
- b. if the Operator determines, acting reasonable, that the variation will materially reduce or removed the increased of credit risk.

If the amounts contained in Invoices are disputed in good faith, this will be constituting a material increase in the credit risk to the Operator.

L. Additional Security

An Operator may on request additional or substitute security from another Operator in manner consistent with Section 5.E.2 and 5.E.3 of this RAO. If the other Operator was making a new Access Request under Section 5.A of this RAO.

M. Force Majeure

If a Party ("Affected Party") is prevented from performing any of its material obligations under the Access Agreement (but shall not include any of the Customer's Payment Obligation) by reason of

Force Majeure, it must immediately notify the other Party (“Other Party”) in writing of the circumstances constituting the event of Force Majeure and must keep the Other Party regularly informed of the progress in resolving the event of Force Majeure and use all reasonable steps to minimize the adverse effect of the event of Force Majeure on the performance of its obligations under the Access Agreement.

If the delay in performance or non-performance of the Affected party’s obligation due to the event of Force Majeure is continuous for a period of ninety (90) days from the date of the Affected Party’s written notification Section 8.E, then either party shall have the right to terminate the Access Agreement with immediate effect and neither Party shall have any claim against the other in respect of such termination save for antecedent breaches.

N. Review

If:

- a. The Minister issues a direction or determination relating to the subject matter of this Agreement;
- b. The Commission issues a direction or determination relating to the subject matter of this Agreement;
- c. There are any amendment, changes or modifications to the Act, its subsidiary legislation and the instruments issued thereunder, including but not limited to the Access Pricing Determination and the MSA Determination and the Access List, which relates to the subject matter of the Access Agreement;
- d. Enactment of new laws and regulations which related to the subject matter of this Agreement;
- e. The registration, determination, promulgation, issue, amendment or replacement of any industry code with which an operator is required or obliged to comply;
- f. If a condition of an Operator’s License is amended or deleted or a new condition is imposed which related to the Access Agreement; or
- g. By agreement of each of the Operators.

The Operators agree to review the Access Agreement as soon as practicable in good faith. Where the changes referred to Section 8.N.a to 8.N.g above affect the Access Agreement, the Operators shall negotiate, as soon as practicable and in good faith, such amendments to the Access Agreement as are necessary or appropriate to ensure compliance with such changes.

O. Governing Law

This Rao shall be governed by and interpreted in accordance with the laws of Malaysia.

P. Assignment

Neither Operator shall be entitled to assign, transfer or novate any of its rights, obligations or liabilities without the prior written consent of the other Operator.

SCHEDULE A – SERVICE DESCRIPTION

PART 1 – INFRASTRUCTURE SHARING

1. General

Part 1 of Schedule A sets out the terms and conditions which are applicable to Infrastructure Sharing.

2. Pre-requisites for Applying for Infrastructure Sharing

BSSB shall not be obliged to provide to Access Seeker Infrastructure Sharing for the Designated and Associated Tower Sites, unless:

- a. BSSB is the legal owner of the tower;
- b. The Access Seeker has the appropriate license from the relevant authorities to operate the Service for the purpose for the equipment is to be installed; and
- c. There is no space constraint.

3. Infrastructure Sharing

BSSB agrees to provide Infrastructure Sharing at the designated tower to the requesting Access Seeker in accordance with the terms of Access Agreement initially entered into between BSSB and other Access Seeker. The terms and conditions for technical matters are also spelled out in the Access Agreement.

Infrastructure Sharing at a Designated Tower or agreed between the Access Seeker, shall be for an Initial Period of five (5) years with an option to renew for three (3) successive terms of three (3) years each, up to a maximum of fourteen (14) years (“Renewal Term”).

The term of the Infrastructure Sharing shall commence on the date (“Handover Date”)

- a. The Access Seeker agrees to commence Infrastructure Sharing
- b. The Access Seeker takes physical possession of the shared space (“Shared Space”) at the Designated Tower or Associated Tower Site, after informing BSSB the exact location of the equipment/antenna.

4. Access Seeker Obligation

The Access Seeker shall be responsible for and bear the cost of all electricity utilized by the Access Seeker at the Shares Space. BSSB shall provide the access for power supply and assist the Access Seekers for its own individual meter.

Installation of Equipment

The Access Seeker shall only be permitted to install its equipment, system and/or devices on the Shared Space and shall not be permitted to install any other Operator’s equipment, system and/or devices on the Shared Space without the prior written approval of BSSB.

Safety, Health and Security Procedures

The Access Seeker shall comply with the provisions and requirements of the Occupational Safety and Health Act 1994 (“OSHA”). These provisions include the usage of personal protective equipment such as safety helmet, safety boots, safety goggles and other safety gadgets as prescribed by OSHA.

The Access Seeker shall exercise due care in the execution of their work so as to prevent accidents and are required to report any incidents including but not limited to accidents as a result of their works to BSSB within twenty-four (24) hours from the time of occurrence.

The Access Seeker shall comply and cause its employees, agents and contractors to comply with all guidelines, rules and regulations issued by BSSB from time to time on site access and security procedures with respect to access to and use of the Shared Space. Further the Access Seeker shall ensure the security of its Shared Space is such that no unauthorized person shall enter the Shared Space.

Sub-letting and Assignment

The Access Seeker shall not at any time sub-let, assign or lease the Shared Space to others.

SCHEDULE C – OPERATIONS AND MAINTENANCE

1. General

Part 4 of Schedule C sets out the operations and maintenance procedures that are applicable in relation to the Services as listed in the BSSB. Where relevant, the operations and maintenance obligations set out in Section 5.15 of the MSA Determination shall be applicable.

2. Operations and Maintenance Standard

Each Access Seeker shall be responsible for the operations and maintenance of its own Infrastructure Sharing and Network Services.

3. Maintenance Procedures and Practices

Each Access Seeker shall on its own establish the recommended maintenance procedures for maintaining and servicing its own Infrastructure Sharing or Network Services.

4. Fault Management

The Access Seeker will manage their own Network to minimize disruption to Services and in the event of interruption or failure of any service, will restore those services as soon as it reasonably practical.

In the event if failure of electric supply, BSSB shall provide alternative power supply as agreed in the Access Agreement.

5. Network Monitoring

Each Access Seeker is responsible for monitoring of alarms belonging to its own Network.
